Neighborhood Watch is an all-volunteer and totally self-supported organization which survives on tax deductible donations. We use no City or tax dollars. A voluntary \$5.00 - \$10.00 donation covers signs, postage, office supplies and equipment, educational materials to keep you up to date on crime information (for your own area and City-wide area), and meetings between Block Captains and law enforcement, which help greatly in maintaining our good relationship. We greatly appreciate your contribution.
